

MAUSOLEUM

In October, 2010, we received a picture of a possible mausoleum to be included in the Resurrection Garden. Each section of the mausoleum would hold one full size casket. In order for this to become a reality we need to pre-sell, at full cost, at least 20 spaces in the proposed mausoleum. The cost at the present time would be \$10,000.

Initial Proposal shows 21 spaces per front & back

If you are interested in purchasing a space in the mausoleum, please call Lynn Conley at 843-290-5267 or email lc@sgg.cc to place your name on the list. No money will be collected until we have enough people signed up to make the construction feasible. Once we know that this will be a reality, you will receive a letter containing more information on location, engraving and selection process.

Mission Statement

Saint Gregory the Great Resurrection Garden

True to the larger mission of the Lowcountry Catholic community of St. Gregory the Great, the Resurrection Garden serves the needs of those who mourn and those who remember with a focus on faith, family, and fellowship.

In the spirit of our patron, we serve the servants of God by offering a resting place for the earthly remains of those who have died, a site for quiet prayer and reflection, and a gathering place for parishioners to celebrate the memory of their loved ones who live now with God, in eternity.

Niches in the Resurrection Garden are purchased in the same way that cemetery plots are attained.

The purchase price of a niche includes:

- A contract
- Perpetual Care
- Policy and operating rules
- Certificate indicating location of specific niche selected

Memorials, in addition to the benches, will be considered.

For more information contact Lynn Conley at (843) 290-5267.
